

HIGHTEC SYNT RSF 950 SAE 0W-30

Fuel-saving high-performance motor oil developed especially for Ford models requiring an oil satisfying the specification Ford WSS-M2C950-A.

Description

HIGHTEC SYNT RSF 950 SAE 0W-30 is a motor oil developed especially for modern Ford diesel engines, based on selected HC synthetic base oils. It is suitable for the Ford Duratorq and other petrol-driven and diesel engines, and the use of HIGHTEC SYNT RSF 950 SAE 0W-30 is always recommended when one of the following specifications is required.

Application

Thanks to its special viscosity range, HIGHTEC SYNT RSF 950 SAE 0W-30 protects the particle filter with its reduced sulphate ash content, while providing outstanding engine protection even at the lowest external temperatures. HIGHTEC SYNT RSF 950 SAE 0W-30 is used according to the manufacturer's instructions in vehicles with petrol-driven and diesel engines with and without turbochargers and diesel particle filters.

Approvals

- Jaguar Land Rover STJLR.03.5007

The quality of this product is equivalent to EU regulations

- ACEA C2
- Ford WSS-M2C950-A

Benefits

- special product for modern Ford engines
- high-performance motor oil specifically developed to meet the Ford specification Ford WSS-M2C95
- A
- improves the soot absorption capacity
- lower cold viscosity range for optimal protection against engine wear
- very good compatibility with gasket materials
- excellent cold-start characteristics and rapid lubrication of the engine
- highest oxidation stability thanks to special HC synthetic base oils and matched additives
- excellent viscosity-temperature characteristics and high-shear stability allow safe all-year-round use
- suitable for modern turbo engines
- low oil consumption, thanks to very low loss by vaporisation
- miscible and compatible with both conventional and synthetic motor oils. In order to exploit the full product benefits of HIGHTEC SYNT RSF 950 SAE 0W-30, however, a complete oil change is recommended.

Typical characteristics

Property	Method	Unit	Value
Density at 15 °C	ASTM D-7042	g/ml	0.843
Kinematic viscosity KV 40	ASTM D-7042	mm ² /s	44,2
Kinematic viscosity KV 100	ASTM D-7042	mm ² /s	9,4
Viscosity index	ASTM D-7042	-	203
Pour point	ASTM D-97 / DIN EN ISO 3016	°C	-42
CCS	ASTM D-5293	cP @ °C	5070 @ -35
Total base number	DIN 51639-1	mgKOH/g	7,9
HTHS	ASTM D4683	mPas	3,0
